P.O. BOX 349
BARKSDALE AFB, LA 71110

CHIEF CHAT

10 November 1998

TO WHOM IT MAY CONCERN:

The following is a list of those SMSgts selected by their command in late 1959 for the first promotions to Chief Master Sergeant. This list was compiled by this organization from a list published in the Air Force Times on 9 December 1959 and is believed to accurately reflect the names of those promoted 1 December 1959.

A total of 1,700 were selected by command boards, the first 620 were promoted 1 December 1959 and the remaining 1,080 on 1 June 1960. The top base pay at that time for a CMSgt was at 22 years - a total of \$440.00 per month - making him the highest paid enlisted man in history.

The command of assignment is reflected after each name. Commands at that time were:

AAC	ALASKAN AIR COMMAND
ADC	AIR DEFENSE COMMAND

AFAF	AIR FORCE ACCOUNTING FINANCE
AMC	AIR MATERIAL COMMAND
